Subject: 11-AFC-03 -- Staff response to Quail Brush applicant's motion to suspend
Date: Tuesday, April 09, 2013 9:00:00 AM

Hearing Officer Renaud:

Quail Brush Genco, LLC, the applicant for the Quail Brush Generation Project, filed a request yesterday seeking a 12-month suspension in the AFC process because of the Public Utilities Commission's decision last month denying a power purchase tolling agreement for the project. Energy Commission staff does not object to the applicant's request for suspension. If the Siting Committee considering this project grants the applicant's request to suspend the proceedings, staff would resume its work on the Preliminary Staff Assessment for the project only after a future decision by the Siting Committee to lift the suspension and revise the schedule for considering the project.

If you have any questions, please feel free to contact me or Eric Solorio, staff's project manager.
