**NOTICE OF CANCELLATION  
OF PUBLIC WORKSHOP**

REGARDING THE PROPOSED  
QUAIL BRUSH GENERATION PROJECT (11-AFC-3)

The workshop previously scheduled for:

**Tuesday, March 5, 2013  
Starting at 1:30 p.m.**

**Scheduled to be held at:  
Grossmont College  
Griffin Center (bldg.), Griffin Gate Room  
8800 Grossmont College Drive  
El Cajon, CA 92020**

**IS HEREBY CANCELLED****Reason for Cancellation**

This notice is to inform you that the California Energy Commission staff is cancelling a previously scheduled public workshop that was intended to discuss the proposed Quail Brush Generation Project (QBG).

The workshop is cancelled because the applicant provided supplemental project information this week that addressed air quality issues that staff wanted to discuss at the noticed workshop. Staff believes the new submittals by the applicant, along with information that the San Diego County Air Pollution Control District is expected to provide in the next few weeks, will provide staff with the last of the information it needs to complete its air quality analysis as part of its Preliminary Staff Assessment (PSA), which is scheduled to be published March 29, 2013. The topic of air quality and all other environmental issues will be discussed in detail at one or more workshops to be held several weeks following the publication of staff's PSA.

**Public Resources, Contact Information and Additional Sources for Information**
