Subject: **QUAIL BRUSH GENERATION PROJECT (11-AFC-3), STAFF'S STATUS REPORT #9**

California Energy Commission

DOCKETED
11-AFC-03

TN # 69078

JAN. 09 2013

Per the Committee's Revised Scheduling Order dated December 14, 2012, staff hereby submits its Status Report #9 regarding the proposed Quail Brush Generation Project (QBGP).

PSA Preparation

Staff is continuing to prepare the Preliminary Staff Assessment (PSA) while reviewing the Application for Certification (AFC) and subsequent filings, including Supplement 3 to the AFC and the applicant's supplemental alternatives analysis. Applicant submitted an emergency response risk assessment on November 30, 2012.

On January 8, 2013, San Diego County Air Pollution Control District (SDAPCD) staff advised Energy Commission staff that publication of the Preliminary Determination of Compliance (PDOC) was being delayed until February 8, 2013.

Discovery

Staff is waiting for applicant's responses to staff's Noise data requests 94 and 95. The applicant has contacted staff and committed to submitting the data responses no later than January 14, 2013.

Future Staff Workshops

At this time staff does not plan to hold any additional workshops prior to publication of the PSA.

Proposed Revised Schedule

Due to the SDAPCD delaying publication of the PDOC, staff is now proposing to publish the PSA two weeks after it receives the PDOC. This targeted publication date assumes the applicant does not further delay the submission of data responses 94 and 95. Staff is proposing the Committee adopt the attached, revised schedule.
