 Dockets:

Per your request for an email notification:

24 boxes were delivered today to the California Energy Commission's Docket Dept. for Quail Brush Generation Project (QBG) Application for Certification (11-AFC-3). Jenna Farrell met with Eric Solorio (CEC Project Manager) and delivered one box that contained the original hard copy of the QBGP AFC, 1 CD, and **3 Air Quality CDs that were received at the Dockets counter**. The additional 23 boxes that contain the 44 hard copies and 64 CDs of the QBGP were received at the loading dock by Docket staff (22 boxes contain-2 copies of the AFC per box, 1 box contains the 64 CDs).

In addition, 10 CDs of the QBGP AFC Appendix C-Cultural Resources Technical Report was delivered under a confidential filing to the Executive Director's office. Docket staff said the Executive Directors office would contact the Docket Desk for filing.

Please contact Tetra Tech Project Manager Connie Farmer at Connie.Farmer@tetrattech.com if you have any additional request or comments.

Thank you,

Jenna
