## INTRODUCTION

The California Unions for Reliable Energy (“CURE”) submit this second status report pursuant to the Committee’s May 27, 2008 scheduling order.

## DISCUSSION

CURE attended the site visit and informational hearing held on May 20, 2008. CURE also submitted comments on the Preliminary Determination of Compliance issued by the San Joaquin Valley Air Pollution Control District.

At this point, CURE and its consultants are reviewing the AFC and the responses to the staff’s data requests. CURE is currently evaluating whether to submit data requests of our own.
