<b>WITH:</b>	City of Avenal – City Manager's Office		
<b>SUBJECT:</b>	Will Serve Letter		

**COMMENTS:**

The Will Serve letter states that the City of Avenal is available to serve the project from the City of Avenal water treatment plant. During my conversation with Ms. Whitten, she stated that in 2007 the City of Avenal entered into an agreement with Avenal Power Center, LLC to provide water as stated in the Will Serve letter for the duration of the project life.
