Subject: ~~Support for Avenal Power Center (08-AFC-1)~~

Commissioner Jeffrey Byron:

My name is Savon Team and I am the owner of Debbie's Place located in Avenal, Ca. I am writing this letter in regards to the support of the Avenal Power Center. I've been the owner of Debbie's Place for over ten years now and have seen this little town grow a lot from what it used to be. I believe that the Avenal Energy project would create a lot of opportunities for the people here in town. It would not only help create jobs for the people but also help bring business for the restaurants and stores here in town as well. It would be a positive thing for Avenal when it is approved and finished. Thank you for taking the time to read my letter I really appreciate it.

Sincerely,

Savon Team
Owner of Debbie's Place
