**Re: LODI ENERGY CENTER PROJECT  
APPLICATION FOR CERTIFICATION (08-AFC-10)**

The planned new gas-fired 255 megawatt power generating facility will provide 23% of the energy needs of Lodi Electric Company. This secure power will facilitate the District mission of uninterrupted education delivery.

Please let us know if you require any additional information in support of 08-AFC-110.

Very respectfully,

Mitch Slater  
Director, Maintenance and Operations

CC: Rob Lechner, Manager of Customer Services & Programs, Lodi Electric Company
