TO: AGENCY DISTRIBUTION LIST (Local, State and Federal)

REQUEST FOR AGENCY PARTICIPATION IN THE REVIEW OF THE LODI ENERGY CENTER PROJECT, APPLICATION FOR CERTIFICATION (08-AFC-10) – SUPPLEMENTAL INFORMATION

On September 10, 2008, Northern California Power Agency (NCPA) submitted an Application for Certification (AFC) to the California Energy Commission to construct and operate an electrical generating plant in the City of Lodi, San Joaquin County, California. The Lodi Energy Center (LEC) would be a combined-cycle, nominal 255-megawatt (MW) power generation facility. The proposed project would be located on 4.4 acres of land owned and incorporated by the City of Lodi, 6 miles west of the Lodi city center, located near Interstate-5 (I-5) approximately 1.7 miles south of State Route 12.

On October 24, 2008, the Energy Commission received a supplement to the Lodi Energy Center AFC. This supplemental information clarifies, adds to, and explains in greater detail the information contained in the original AFC. On November 20, 2008, the Energy Commission accepted the AFC, with the supplement as complete. The Energy Commission staff has now begun the data discovery and analysis phase of the project's licensing process. Your agency's preliminary and final determinations regarding the project's compliance with requirements administered by your agency are due by **February 19, 2009** and **April 18, 2009**, respectively.

Enclosed is a copy of the AFC Supplement in electronic format (CD). If you would like to have a hard copy of the AFC Supplement sent to you, if you have questions, or if you would like additional information about how to participate in the Energy Commission's review of the proposed project, please contact Rod Jones, Project Manager, at (916) 654-5191, or by email at rjones@energy.state.ca.us. The status of the proposed project, copies of notices, an electronic version of the AFC, and other relevant documents are also available on the Energy Commission internet website at <http://www.energy.ca.gov/sitingcases/lodi>. By being on the mailing list, you will receive notices of all project related activities and documents related to the proposed project's evaluation and review. You can also subscribe to receive email notification of all notices at <http://www.energy.ca.gov/listservers>.
