Application for Certification for the
LODI ENERGY CENTER

DOCKET NO. 08-AFC-10

NCPA'S PROPOSED SCHEDULE

In accordance with the Committee Notice for the Site Visit and Informational Hearing dated November 26, 2008, the Northern California Power Agency (NCPA) hereby files its proposed schedule for Committee consideration in preparing its scheduling order. The attached schedule has been designed to accommodate the San Joaquin Valley Air Pollution Control District (SJVAPCD) process to publish the Preliminary and Final Determination of Compliance documents. Since these documents are key to allowing the Commission Staff to prepare its Preliminary and Final Staff Assessments, the schedule has been designed based on the receipt of these documents rather than estimated dates when they will be published. In this way if the documents are not published on the estimated date, there is no reason to revise the Committee Scheduling Order.

We look forward to discussing this approach in more detail at the Site Visit and Informational Hearing.

Dated: January 8, 2009

Scott A. Galati
Counsel to NCPA
