Subject: **LODI ENERGY CENTER PROJECT (08-AFC-10) STATUS REPORT 4**

Staff submits the following Status Report for the proposed Lodi Energy Center Project (LEC), pursuant to the Committee Scheduling Order dated January 21, 2009.

Staff continues to work towards completing the Lodi Energy Center (LEC) Preliminary Staff Assessment (PSA). Currently a heavy workload and the expanded furlough program which now includes three days a month has made completing the PSA in a timely manner a challenge. Siting staff are now reviewing 27 applications for certification (AFC), with several new filings expected over the next few months. This workload may lead to delays beyond the PSA publication date. Staff expects to publish the LEC PSA within the next three weeks, by July 29, 2009.
