RE: SES Solar One
Applicant's Responses to CURE Data Requests Set 1
CURE Data Requests 1-228

Dear Ms. Miles:

Tessera Solar hereby submits this letter to provide an update on the Applicant's responses to CURE Data Requests Set 1 (Data Requests 1-228). The Applicant has every intention of docketing responses to all of CURE's Data Requests within the allotted 30 day time period. However, due to the quantity of requests, the Applicant would like to notify all parties that should it not be possible to respond to the 228 Data Requests in their entirety within the 30 day period, the Applicant will file a package containing the majority of responses on or before July 27th, with all others to follow shortly.

That being said, the Applicant has made, and will continue to make every effort to respond to CURE Data Requests as soon as possible.

I certify under penalty of perjury that the foregoing is true, correct, and complete to the best of my knowledge.

Sincerely,

Camille Champion
Project Manager
