Re: Calico – SES Solar One Project (08-AFC-13)
Hector Road

Dear Mr. Stobaugh and Mr. Rotte:

People have been using Hector Road as a right-of-way to access the public and private lands in the Hector area long before the Federal Land Policy and Management Act of 1976.

I assert Hector Road is a Revised Statute 2477 right-of-way.

I request the Bureau of Land Management (BLM) make an administrative determination Hector Road is a valid Revised Statute 2477 right-of-way where it crosses public lands administered by the BLM.

If you object, are unable or need additional time to fulfill this request, please send a written notice to Commissioners James Boyd and Jeffrey Bryon of the Committee overseeing SES's Application for Certification and me within 20 days of receipt of this request.

Respectfully,

Original Signed By

Patrick C. Jackson
