RE: SES Solar One Project  
Change of Project Name and Change In Applicant Name

Dear Mr. Meyer,

This letter is to request a change of project name for the project currently referred to as SES Solar One. Tessera Solar respectfully requests that the project name be changed to Calico Solar in all records and references made by the CEC. It is understood that there will be an adjustment period due to the length of time this project has been in progress.

Tessera Solar would also request that the Applicant SES Solar Three, LLC be merged into SES Solar Six, LLC, and the surviving entity be re-named Calico Solar, LLC. Tessera Solar is currently in the process of filing Articles of Merger with the Delaware Secretary of State. SES Solar Three, LLC is being merged into SES Solar Six, LLC, and then SES Solar Six, LLC is being renamed Calico Solar, LLC.

These changes in no way impact the legal ownership or tax status of the project or the applicants, and will not affect any project conditions or Tessera Solar's ability to fund the project.

Please contact me if there are any questions or clarifications needed in regard to these requests.

I certify under penalty of perjury that the foregoing is true, correct, and complete to the best of my knowledge.

Sincerely,

Felicia L. Bellows  
Vice President of Development
