EILEEN ALLEN MANAGER

I RECEIVED THE NOTICE FOR THE BEACON
SOLAR ENERGY PROJECT 08 AFC 2

IM ALL IN FAVOR OF SOLAR ENERGY
AND THE SITE SEEMS TO BE A
PROPER SITE.

MY ONLY CONCERN IS PUMPING OUT
ALL THE GROUND WATER, IN CALIF
THERE IS ALREADY A SHORTAGE OF
WATER AND WITH OVER USE IN
THE ENTIRE ANTILOPE VALLEY
OF GROUND WATER THE WATER
TABLE IS LOW AND MUCH OF THE
VALLEY IS ACTUALLY SINKING,

IS THERE ANOTHER ALTERNATIVE?

THANK YOU

Bob Russell
