Dear Librarian:

DOCUMENT HANDLING FOR THE BEACON SOLAR ENERGY PROJECT (08-AFC-2) and POSTING OF PUBLIC NOTICE

The Notice of Availability and Notice of Public Workshop that was mailed to you on April 1, 2009, together with the Preliminary Staff Assessment (PSA) containing the California Energy Commission staff’s preliminary engineering and environmental evaluation of the proposed Beacon Solar Energy Project (BSEP) contained an error.

The project summary erroneously stated the project was located in “the Mohave Desert, in San Bernardino County”, California. The project is in fact located in “Kern County”, California. All other information in the notice is correct. Additionally, we have included a new CD of the Preliminary Staff Assessment which includes figures that were not included on the original CD mailed to you. Staff apologizes for any inconvenience. Please make this correction notice available together with the original notice and PSA for those who may wish to be informed about the project.

Thank you for your cooperation. If you have any questions, please contact Eric K. Solorio, Siting Project Manager, at (916) 651-0966 or at the address on this letterhead or by email to esolorio@energy.state.ca.us.

Sincerely,

ERIC KNIGHT
