**Re: Application for Confidential Designation
Resubmission of Confidential Revenue Data
Beacon Solar Energy Project
Docket No. 08-AFC-2**

Dear Ms. Jones:

Pursuant to Title 20 California Code of Regulations § 2505(a)(4), Beacon Solar, LLC ("Beacon") hereby submits this application for confidential designation for the enclosed Revenue Data files, contained on the enclosed CDs in Microsoft Excel format. These electronic files were requested by Mr. Eric Solorio in order to facilitate evaluation of the Beacon Solar Energy Project (8-AFC-02). The information contained on the CDs is nearly identical (merely restated electronically in Excel format) to the Revenue Data that was submitted by Beacon on January 20, 2009, and which you deemed to be confidential by letter dated February 25, 2009. Accordingly, the information being submitted is substantially similar to information that was previously deemed confidential pursuant to Title 20, California Code of Regulations, section 2505(a)(3)(A). See 20 C.C.R. § 2505(a)(4). All of the facts and circumstances relevant to confidentiality remain unchanged. For these reasons, we ask that you designate the attached information as confidential as well.

I certify under penalty of perjury that the foregoing is true and correct. I also certify that I am authorized to make the application and certification on behalf of Beacon Solar, LLC.

Very truly yours,

DOWNEY BRAND LLP
