**NOTICE OF FINAL DECISION FOR THE ISSUANCE OF  
DETERMINATION OF COMPLIANCE BY  
KERN COUNTY AIR POLLUTION CONTROL DISTRICT**

NOTICE IS HEREBY GIVEN that the Kern County Air Pollution Control District has made a decision to issue the Determination of Compliance (DOC) to Beacon Solar LLC for the installation of a nominal 250-MW solar trough power plant, located in Sections 3,4, 8 and 9, T31S, R37E, 1.4 Mi East of Highway 14, Fremont Valley, California. District received two comments and responded to both comments regarding this project. DOC issued reflect minor changes to the Preliminary DOC in response to comments.

The California Energy Commission (CEC) is the lead agency for this project; therefore, construction for this project can commence only after approval by the CEC. For further information on this project please contact Eric Solorio, Project Manager for the CEC; visit the CEC website at: <http://www.energy.ca.gov/sitingcases/beacon/index.html>; or telephone Glen Stephens of the District at (661) 862-5250.
