Subject: Email Service for Mirant Marsh Landing LLC

Paul,

All representatives of Mirant Marsh Landing, LLC (i.e., individuals at Mirant, URS and Winston & Strawn) prefer to receive service of documents via electronic mail only. We note, however, that some electronic files may be too large for reliable electronic service. We generally assume that electronic files larger than 5 megabytes are likely to be rejected by many recipients' servers. For those documents, we propose to submit a disk to the Commission so that the documents can be loaded onto the website, and to send other parties a disk with an offer to supply paper copies if requested.

Also, I previously requested that Karleen O'Connor from Winston & Strawn be added to the POS list for Marsh Landing. I am providing Karleen's email address again for your convenience: Karleen O'Connor (email address is koconnor@winston.com<mailto:koconnor@winston.com>; mailing address is the same as mine).

Thank you and best regards,
 Lisa
