**BEFORE THE ENERGY RESOURCES CONSERVATION AND DEVELOPMENT
COMMISSION OF THE STATE OF CALIFORNIA**

Application for Certification for the
Mirant Marsh Landing Generating Station Project

Docket No. 08-AFC-3

**FOURTH STATUS REPORT OF
MIRANT MARSH LANDING, LLC**

In accordance with the Committee Scheduling Order dated December 31, 2008, Mirant Marsh Landing, LLC ("Mirant Marsh Landing") submits its fourth status report in this proceeding. On May 30, 2008, Mirant Marsh Landing filed an Application for Certification ("AFC") for the Marsh Landing Generating Station ("MLGS"), a 930 megawatt, natural gas-fired electricity generating facility to be located at a site within the existing site of the Contra Costa Power Plant. The AFC was determined to be data adequate on September 24, 2008.

Staff issued a second set of Data Requests (60 through 69) on April 24, 2009. Mirant Marsh Landing has now submitted responses to all of the second set of Data Requests and understands that staff is in the process of reviewing those responses.

As Staff explained in its most recent status report, the Preliminary Staff Assessment is delayed pending issuance by the Bay Area Air Quality Management District ("BAAQMD") of its Preliminary Determination of Compliance ("PDOC") for the project. Mirant Marsh Landing continues to work with the BAAQMD to provide information and analysis to assist the BAAQMD in completing the PDOC so it can be released as soon as possible.

July 22, 2009

Respectfully submitted,

Lisa A. Cottle
