RE: Marsh Landing Generating Station  
Application for Certification 08-AFC-03

Appendix 10 (submitted on March 4, 2009) of the February 2009 System Impact Study for the Marsh Landing Generating Station included approximately 1,250 pages of transient stability graphs. CEC staff requested that we provide a set of selected graphs printed in color and on larger sized paper. Enclosed are three sets of the requested transient stability graphs.
