**Re: Redondo Beach Energy Project (12-AFC-03)
Documents Submitted Under Approved Application for Confidential Designation**

Dear Mr. Oglesby:

On November 20, 2012, AES Southland Development, LLC ("Applicant") submitted an Application for Certification ("AFC") for the Redondo Beach Energy Project ("RBEP"). Therewith, Applicant submitted the requisite Application for Confidential Designation of Records ("Application") as such pertained to Cultural Resources. (Title 20, Cal. Code Regs. § 2505.) On December 12, 2012, Applicant received your correspondence granting the Application for Confidential Designation of Cultural Resources Documents wherein you directed that any subsequent submittals related to cultural resources can be deemed confidential without the need for a new application so long as such information is substantially similar to the information previously granted confidentiality.

By way of this correspondence, I declare under penalty of perjury that the information provided herein as related to cultural resources evaluated for RBEP is substantially similar to the information submitted as part of the original AFC submittal and presented under Application for Confidential Designation previously submitted to you on November 20, 2012.

Should you have any questions concerning this submittal, please do not hesitate to contact me at (916) 319-4674.

Very truly yours,

A handwritten signature in black ink, appearing to read "KT Castanos".
