Subject: Second *REVISED* Memorandum re: Marsh Landing (Docket no. 08-AFC-3)  
Prehearing Conference and Evidentiary Hearing Electronic Recording

On July 7, 2010, our office sent out a Memo stating that at the July 1, 2010 Prehearing Conference and Evidentiary Hearing a court reporter was *not* used and the WebEx proceedings were recorded electronically only.

The memo should have stated that a court reporter was used and an electronic recording of the proceedings was made. The court reporter's transcript is available on the Marsh Landing website at:  
[http://www.energy.ca.gov/sitingcases/marshlanding/documents/2010-07-01\\_PHC+EH\\_Transcript.pdf](http://www.energy.ca.gov/sitingcases/marshlanding/documents/2010-07-01_PHC+EH_Transcript.pdf)

The Hearing Office will keep the recording in our office. If you would like a copy of the recording, please contact our office and we will have one sent to you on a compact disk.
