Joseph,

Thanks for the call yesterday. Here is the information you requested about enXco projects in Imperial Valley. Please feel free to contact me if you have further questions.

- 1) Expected date of construction and operational life: 2010-2013 (about 30 months) construction period. Operational for 30 years.
- 2) Monthly peak construction labor force: following a bell curve during construction, and peaking at about 600 workers
- 3) Operational workforce: about 50
