Dear Mr. O'Brien, Meyer and Stobaugh,

CURE filed a letter on April 27, 2009 asking the CEC to re-schedule the noticed May 7, 2009 workshop. SES Solar Two, LLC opposes this request for the following reasons:

CURE waited until the very last day possible to file their data requests, even though they have been active in this proceeding for at least five months. Had they filed their requests earlier, it would have been possible to discuss Applicant's responses at the scheduled May 7 workshop.

The workshop is scheduled to discuss the Applicant's responses to CEC/BLM data requests. There is no reason to delay discussions over responses to these data requests. Thank you for your consideration of our opposition to the CURE request.

Sincerely,

Kevin Harper
Project Manager
