Subject: SES Solar Two Project (08-AFC-5) – Request for additional time for Responses to Data Requests Set 2, Part 2 (#s 142-155)

Dear Mr. Meyer:

Pursuant to Title 20, California Code of Regulations, Section 1716, the Bureau of Land Management (BLM) and California Energy Commission (Energy Commission) staff, on June 18, 2009, submitted Data Requests Set 2, Part 2 (#142-155) to Stirling Energy Systems (SES) for Solar Two, LLC. Unfortunately, given that Data Requests #142-150 require fieldwork to provide further information concerning the cultural resources inventoried within the project area, it is necessary for us to request additional time to complete our responses. We anticipate that it will take at least a month or more to complete the necessary fieldwork and other associated tasks. An update regarding this work will be provided in our Status Report # 4 if we have not completed the responses by August 7, 2009. Responses to Data Request #151 – 155 for the technical area of Public Health and Safety will be submitted on or before July 10, 2009.

If you have any questions concerning this request for additional time, please contact me at 602-957-1818.

Sincerely,

Robert B. Liden  
Executive Vice President  
SES Solar Two, LLC
