Dear Mr. Liden:

The Mojave Desert Air Quality Management District (District) has reviewed the application submittals for the emergency internal combustion engine and aboveground gasoline dispensing tank, and have determined them to be complete. Work will now begin on the Preliminary Decision Document pursuant to District Regulation XIII, which is anticipated to be completed by March 31, 2009.

If you have any questions regarding this action, please contact Samuel J. Oktay PE, Air Quality Engineer, at (760) 245-1661, x1610.

Sincerely,
