Subject: Permit Applications for the Riverside Energy Resource Center (ID# 139796)

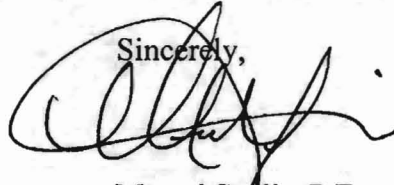

Dear Mr. Casey:

The South Coast Air Quality Management District (AQMD) has finished the completeness determination for the subject permit applications that were submitted to the AQMD on April 17, 2008 and May 14, 2008. After an initial review of the application package, it has been determined that sufficient information has been provided in order to deem all applications complete. A summary of the completeness determination is provided below.

Equipment	Application Tracking No.	Completeness Determination
Gas Turbine	481647	Deemed Complete
Gas Turbine	481649	Deemed Complete
SCR/CO Catalyst	481650	Deemed Complete
SCR/CO Catalyst	481651	Deemed Complete
TV/RECLAIM Amendment	482512	Deemed Complete
Black Start Diesel ICE	482515	Deemed Complete

Please note that applications which are deemed complete are not guaranteed to receive approval and AQMD may request additional clarifying information pertaining to an application that has been deemed complete.

If you have any questions regarding the subject applications, please call or email me.

Sincerely,

Marcel Saulis, P.E.
Air Quality Engineer II
