Re: Notice of Name Change – Morro Bay (00-AFC-12)

Dear Ms. Juarez-Garcia:

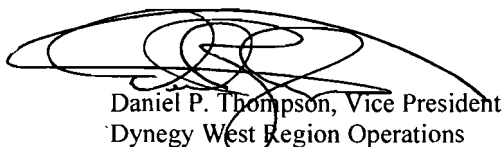

The purpose of this letter is to notify you that the name of the limited liability company that is responsible for the Application for Certification for the Morro Bay power plant, "LSP Morro Bay, LLC," has been changed to "Dynergy Morro Bay, LLC." This is a name change only for the LLC and not a change of ownership. Dynergy Morro Bay, LLC is also the entity responsible for compliance with the *Commission Amended Order Authorizing Demolition of the Morro Bay Tank Farm*, dated June 22, 2005 (the "Tank Farm Demolition Order").

Only the name of the project company has changed. Accordingly, no petition is required for this courtesy notification. Nevertheless, Dynergy Morro Bay, LLC and its employees value their continuing good working relationships with the Commission and its Staff. Therefore, Dynergy Morro Bay, LLC affirms that it will be responsible for compliance with the Tank Farm Demolition Order. As the owner and operator of the project, Dynergy Morro Bay, LLC reiterates that it understands the Conditions of Certification associated with the Tank Farm Demolition Order and agrees to comply with them.

As an officer of Dynergy Morro Bay, LLC, I hereby attest, under penalty of perjury, under the laws of the State of California, that the contents of this letter are truthful and accurate to the best of my knowledge and belief.

If you have any questions regarding this, please do not hesitate to contact Barb Irwin at 925-803-5121.

Respectfully submitted,

Daniel P. Thompson, Vice President
