Subject: Proposed El Segundo Power Redevelopment Project – SCAQMD Rule
2005(g)(1), Statewide Compliance Certification

Dear Mr. Yee:

In accordance with SCAQMD Rule 2005(g)(1) Additional Federal Requirements for Major Stationary Sources, NRG Energy, Inc. - parent company of the applicant (El Segundo Power, LLC) for the proposed El Segundo Power Redevelopment (ESPR) Project - is pleased to provide this compliance statement.

El Segundo Power, LLC "certifies that all other major stationary sources in the state (California) which are controlled by the applicant are in compliance or on a schedule for compliance with all applicable federal emission limitations or standards (42 U.S.C. Section 7503(a)(3))." The subject major sources include:

El Segundo Generating Station
Encina Power Station
Long Beach Generating Station

Based on information and belief formed after reasonable inquiry, the statements and information in the document are true, accurate, and complete.

Please contact George Piantka at 760-710-2156 if you have any questions regarding the ESPR Project.

Sincerely,
