Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: El Segundo Power Redevelopment Project

Energy Commission Docket Number: 00-AFC-14C

Energy Commission Contact Person: Mary Dyas   **Phone #:** (916) 651-8891
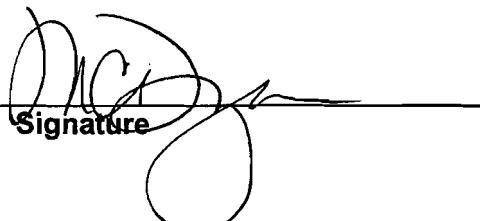

Project Location: El Segundo, CA

Project Description: A 560-megawatt (MW) rapid response combined-cycle facility using dry-cooling and zero liquid discharge technology originally approved on August 31, 2005, and amended on June 30, 2010.

Modification Description: Modifications include increasing the range of ammonia injection rates, eliminating a venturi scrubber on the ammonia storage tank, eliminating an ammonia by pipeline, and changing the project name from El Segundo Power Redevelopment Project to El Segundo Energy Center project.

On August 9, 2012, the California Energy Commission approved the above-described project change pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.

2. Mitigation measures were made a condition of approval of the project.

3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Energy Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Energy Commission's web site--www.energy.ca.gov.
