**Re: Los Esteros Critical Energy Facility 01-AFC-12C  
Amendment No. 5**

Dear Ms. Stora:

At your request, we are resubmitting Petition for Modification No. 5 for the Los Esteros Critical Energy Facility filed November 19, 2012 under the Phase 2 Docket No. 03-AFC-2C. By this amendment, Los Esteros Critical Energy Facility, LLC proposes modifications to certain Air Quality Conditions of Certification to make non-substantive clarifications and administrative amendments to provisions governing monitoring and initial source testing and to conform with the corresponding conditions in the Authority to Construct air permit issued by the Bay Area Air Quality Management District. The submission in Docket No. 03-AFC-2C is identical to the earlier submission in Docket No. 01-AFC-12C, except that we changed the docket number and the text to make explicit that this is an Amendment to the Phase 2 license under Docket No. 03-AFC-2C.

If you have any questions, please contact me at (916) 447-2166.

Sincerely,

Chase B. Kappel
