Condition of Certification WATER RES-1

Dear Ms. Juarez-Garcia,

In response to your letter dated August 29, 2008, enclosed are the year 2006 and 2007 annual water use summaries for total plant makeup water. This data was obtained from the plant historian archive for the inflow plant water meter. This meter captures *all* operational water flow, including landscape irrigation.

We appreciate the time you and California Energy Commission staff have taken to help us ensure the annual compliance reporting records are accurate. Please feel free to call me at (916) 732-7101 for any questions.

Sincerely,

Kevin M. Hudson, P.E.
