## **Quail Brush Power Plant AFC (11-AFC-03) â€“ Deny suspension**

Dear Ca CEC,

What? Again? Will Cogentrix never get the message?

I cannot add to what has already been stated ad nauseum.

Allowing any agency or company to change the zoning from "Open Space" to "Heavy Industrial" is so wrong on so many levels.

The Quasi Brush project is in the same category as the Keystone Pipeline -- let the profit seekers put it in their own back yard and trash their home (Charlotte, NC or Canada)

Man up and stop this abomination. Please, DO NOT ALLOW ANOTHER SUSPENSION.

Cogentrix could not justify Quail Brush before and will not be able to justify it a year from now.

Yours for green power.

Judi Ravetti
