Dear Ms. Allen:

In accordance with the provisions of Title 20, California Code of Regulations, Watson Cogeneration Company hereby submits its Application for Certification seeking authority to construct and operate the Watson Cogeneration Steam and Electric Reliability Project at its Carson, California facility. The Watson Cogeneration Steam and Electric Reliability Project will add an additional cogeneration unit, improve the reliability of steam supply to BP's Carson Refinery, and provide baseload low-carbon power.

As an officer, I hereby attest under penalty of perjury that the contents of this application are truthful and accurate to the best of my knowledge.

Dated this 19<sup>th</sup> day of March 2009.
