**RE: PETITION TO AMEND LOS ESTEROS CRITICAL ENERGY
FACILITY'S CONDITIONS OF CERTIFICATION
APPLICATION 03-AFC-2C**

Dear Mr. Davis:

Calpine filed a petition to amend the Energy Commission Decision for the Los Esteros Critical Energy Facility (LECEF) (03-AFC-2C) on June 22, 2005 and later amended that petition on November 14, 2006 and March 14, 2008. LECEF would currently like to withdraw this amendment petition. In the event that LECEF feels that these modifications are necessary, another petition will be submitted to the Energy Commission.

If you have any questions or require further information, please call me at 925-570-0849.

Sincerely,

Barbara McBride
Director Environmental, Health and Safety
