Dear Ms. McCarthy,

Thank you for your email regarding the Quail Brush Generation Project.

I confirmed with the Dockets Unit that recent comments they have received about Quail Brush are available on the Energy Commission website. Although the Energy Commission accepts comments via email or through the mail, we encourage members of the public to use our e-commenting system.

Since Quail Brush is a suspended project, a new project manager has not been assigned. Inquiries can be sent to Chris Davis at chris.davis@energy.ca.gov or (916) 654-4842.

Please let me know if you have any questions or need anything else.

Sincerely,

Alana Mathews
