Department of Parks and Recreation 523 Tank and Pump Primary Record

In support of its repeated application for confidential designation, NCPA, provides the following information:

APPLICANT: NCPA Northern California Power Agency  
ADDRESS: 651 Commerce Drive  
Roseville, CA 95678-6411

This Repeated Application for Confidential Designation covers additional cultural resources information as titled above.
This additional information is substantially similar and directly related to the cultural resource information supplied to the CEC on September 12, 2008, which was granted confidential designation by the Executive Director. As previously noted this information is being submitted under 20 CCR 2505(a)(4) which states in pertinent part,

"[a]n applicant... seeking a confidential designation for information that is substantially similar to information... for which an application for confidential designation was granted by the Executive Director pursuant to subdivision (a)(3)(A) of this section, the new application need contain only a certification, executed under penalty of perjury, stating that the information submitted is substantially similar to the previously submitted information and that all the facts and circumstances relevant to confidentiality remain unchanged."

I certify under penalty of perjury that the information contained in this Repeated Application for Confidential Designation is substantially similar to the previously submitted cultural resource information and that all of the facts and circumstances relevant to confidentiality remain unchanged. Additionally, I certify that all of the information provided is true, correct and complete to the best of my knowledge and I, attorney with the Law Firm of GalatiBlek, LLP, am authorized to make the application and certification on behalf of the applicant.
