H Madam, Sir,

This project will damage the air quality of the MTN House City. It looks setting up the time bomb in our back yards. More details are below from us to against the project built in our back yards:

- \* Williamson Act Contract does not allow Electrical Facility
- \* Mariposa Power Plant is not a public need at the moment on the proposed site. Hence violates Policy 13 of Alameda County ECAP
- \* Mariposa Power Plant is not a allowed permissible Infrastructure on proposed site
- \* Applicant assumed there will be no-significant impact because of this power plant and fed it into the Mariposa EIR analysis (Environmental Impact Report) causing inconsistencies in its report.
- \* Applicant wrongly used year 2000 Census data used for Environmental Justice Analysis consideration
- \* California State is going against its own Renewable Energy Generation AB32 initiative to reduce GHG emissions
- \* Power Plant causes big Environmental Justice issue because of pollution nuisance on Minority Population Mountain House Community
- \* Alameda County clearly supporting this power plant for its financial benefits
- \* Huge million dollar community benefit given to Alameda County by Mariposa LLC
- \* Mountain gets no financial benefit but pollution
- \* Mountain House Community Health impact not sufficiently analyzed
- \* Alameda County Measure D Initiative (Open space Land east of Alameda County) violated
- \* Outreach to Mountain on Mariposa power plant application inadequate
- \* No Need Analysis done for Power Generation
- \* Mariposa inconsistent on Large Parcel Agriculture Land
- \* No land restoration plan explained by applicant on proposed agricultural open space land site
- \* Project in-compatible with Contra Costa Airport land use
- \* Power Plant Plumes hazard to Byron Airport
- \* Risk analysis on Gas pipeline safety insufficient
- \* No project Alternative during analysis ignored
- \* No consideration towards Innovative ways for Smarter Peaker Power Generation which throws zero pollution
