As you are aware, the Committee issued an order dated May 2, 2011 that allows electronic service of documents when specifically requested. #65533;The Committee order describes the allowed methods and formats for electronic service.

To facilitate the service of documents in this matter, reduce paper use, and avoid confusion, I ask that you consider agreeing to electronic service as the default method of service for all documents. #65533;Please advise me and all of the parties by email Friday, May 13, 2011, of your service preference.

Thank you for your anticipated cooperation,
