

**Calico Solar Project Amendment
08-AFC-13C**

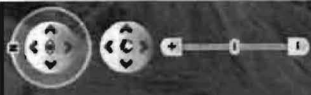

DOCKET

08-AFC-13C

DATE _____
RECD. May 02 2011

These three aerial images of the alluvial fans on the site of the proposed Calico Solar project are provided by Burlington Northern Santa Fe Railroad for discussion purposes for drainage.

These images were presented at the April 20, 2011 Informational Hearing and Site Visit for the Calico Solar Project Amendment.
