Hello Don,
 The Friends accept this change and we look forward to discussing future

potential opportunities to serve in this capacity for the Refuge.

Francesca,

About a month ago you and I chatted about GenOn sending funds to California Wildlife Foundation rather than the Friends of San Pablo Bay. I realize your reservations and concerns. Yet, we concluded that this would be fine.

Can you please respond to this email, and cc all here, that the Friends are fine with CWF receiving the funds?

Thank you for your support.

Don
