RECD. JUN 01 2011

**SUBJECT: Oakley Generating Station (09-AFC-4C)
LIMITED NOTICE TO PROCEED
START OF CONSTRUCTION**

Dear Mr. Lamberg:

The Oakley Generating Station (09-AFC-4C) project has completed all necessary submittals and received California Energy Commission (Energy Commission) staff approval for site access in order to: complete biological surveys, complete biological mitigation fencing, implement biological protection measures, complete construction fencing, complete construction surveying, complete construction staking, put in place the best management practices for the Draft Drainage, Erosion, and Sediment Control Plan (DESCP) and Storm Water Pollution Prevention Plan (SWPPP).

These activities shall be allowed for the phase 1 project that includes construction activities for the fire pump construction and associated facilities and may commence immediately.

If you have any questions, please call me at (916) 654-4781 or e-mail me at choffman@energy.state.ca.us.

Sincerely,

Original signed by C. Hoffman
