CALIFORNIA ENERGY COMMISSION DELEGATE CBO AUTHORITY**

Dear Mr. Figler:

The California Energy Commission has authorized the contracting firm of Bureau Veritas to act as our delegate Chief Building Official for construction of the additional rows of parabolic troughs to be added to the solar thermal field at the 84-MW SEGS VIII facility at Harper Lake and the 500,000 gallon water storage tank to be constructed at the 150-MW SEGS III – VII facility in Kramer Junction. Both projects are located in San Bernardino County, California. Bureau Veritas is a fully qualified contractor experienced in providing industrial building official services.

Pursuant to this activity, Bureau Veritas shall issue permits for construction as necessary for the completion of the project and is authorized to release the results of electric and/or gas inspections to Southern California Edison.

If you have any questions, please contact me at (916) 654-4842, or E-mail me at [CMDavis@energy.state.ca.us](mailto:CMDavis@energy.state.ca.us).

Sincerely,
