Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: LUZ SEGS IX Project

Energy Commission Docket Number: (89-AFC-1C)

Energy Commission Contact Person: Steve Munro **Phone #:** 916-654-3936

Project Location: Near Cities of Mojave and Barstow, San Bernardino County, California

Project Description: Modifies the method of transfer of 75 acre feet of water per year to be used for enhancement of the Harper Lake Wetlands. The method of transfer was to be accomplished by transfer of water rights to the Bureau of Land Management, but was determined to be unworkable. The transfer of water will now be accomplished by an agreement that allows BLM to pump up to 75 acre feet of water per year without transfer of water rights.

On November 3, 2005, the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.
2. Mitigation measures were made a condition of approval of the project.
3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
