**SUBJECT: DELTA ENERGY CENTER (DEC) (98-AFC-03C)
RESPONSE TO GREGGORY L. WHEATLAND'S LETTER DATED
AUGUST 12, 2009**

Dear Mr. Wheatland:

This letter is in response to your letter dated August 12, 2009 regarding the status of Units 1, 2, 3 at the Delta Energy Center. Thank you for the timely and thorough response to my email to Barbara McBride dated July 13, 2009.

The changes to Unit 1, which were described in your letter, have been reviewed and approved by the Energy Commission staff. If there are any planned improvements to Units 2 and 3, please let me know in advance of starting any work.

Improvements that necessitate changes to the DEC project description, Conditions of Certification or are collectively equal to or greater than 50 Megawatts will require a Petition to Amend. I am available at your convenience, if and when a pre-amendment meeting is needed.

If you have any questions, please call me at (916) 654-3864, or e-mail me at Aigarcia@energy.state.ca.us.

Sincerely,

Angelique Juarez-Garcia
Compliance Project Manager
