**Re: Huntington Beach Energy Project (12-AFC-02)  
Discs Containing Air Modeling Files Related to Resubmission of Data Responses,  
Set 4**

Dear Ms. Miller:

Applicant AES Southland Development, LLC herein provides notice to the parties that discs containing air modeling files related to updated Data Responses, Set 4 (Staff's Data Request #104 [Air Quality]) were personally delivered to the California Energy Commission's Docket Unit on this date. Pursuant to the directive set forth in the *Revised General Order Regarding Electronic Document Format, Filing and Service of Documents and Other Matters*, dated October 23-2013 for the above-referenced proceeding, Applicant docketed the discs in person rather than via the e-filing system due to size limitations. Applicant will provide copies of the discs to any party who makes a request in writing.

Very truly yours,
