Purpose

California Energy Commission staff will hold a public workshop on Thursday, April 3, 2014, at the Huntington Beach Central Library. The workshop will provide an opportunity for Energy Commission staff to present its Preliminary Staff Assessment (PSA) Part B for the technical areas of air quality, public health and alternatives and allow the applicant and intervenor to work with staff to resolve any remaining technical issues related to the Huntington Beach Energy Project (HBEP) PSA. Part A of the PSA was published on October 10, 2013, a Focused Staff Assessment was published December 19, 2013, and Part B was published March 7, 2014. The three PSA documents are available on the Energy Commission web page at

<https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=12-AFC-02> The

workshop will also provide an opportunity for interested agencies, members of the public and other parties interested in the proposed project to present comments.

Summary of the Proposed Huntington Beach Energy Project

The HBEP is proposed to replace the existing Huntington Beach Generating Station on a 28.6-acre parcel, located on the Pacific Coast Highway, north of Huntington State Beach in the city of Huntington Beach. The proposed HBEP would be a 939-megawatt (MW) natural gas-fired, combined-cycle, air-cooled, electrical generating facility.

Participation

Please direct your technical or project schedule questions to Felicia Miller, Project Manager at (916) 654-4640 or email to Felicia.Miller@Energy.ca.gov. For information on how to participate in the Energy Commission's review of the proposed project, please contact the Energy Commission's Public Adviser, Alana Mathews, at (916) 654-4489 or toll free in California at (800) 822-6228, or by email at PublicAdviser@energy.ca.gov. You can also

subscribe to receive e-mail notification of all notices and announcements at <http://www.energy.ca.gov/listservers>. By being on this email list, you will receive all notice of project related workshops, hearings and availability of documents pertaining to the project's evaluation and review. To request special accommodations for those persons with disabilities, please contact Lourdes Quiroz, the Energy Commission's Equal Employment Opportunity Officer at (916) 654-5146 or by email at lquiroz@energy.ca.gov.

Public Comment

Energy Commission staff encourages public participation, and members of the public may provide comments at the workshop. If you are unable to attend the workshop and wish to provide comments on the project, please submit comments by going to the Energy Commission's HBEP webpage at http://www.energy.ca.gov/sitingcases/huntington_beach_energy and clicking on the "Submit e-Comment" link. Please provide your full name, an organization name, an e-mail address, a reference to Docket No. 12-AFC-02 in the subject line, and preferably put your comment in an attached document (.doc, .docx, or .pdf format). After entering characters to ensure that responses are generated by a human user and not a computer, click on the "Agree & Submit Your Comment" button to submit the comment to the Energy Commission Dockets Unit. All written comments and materials filed with the Dockets Unit will become a part of the public record of the proceeding. Additionally, written comments will be accepted at the workshop and docketed by the Public Advisor. All comments received in this case will be posted on the project website.

If you wish to mail written comments on the project, please submit them to the Energy Commission Dockets Unit. Please include the HBEP docket number (12-AFC-02) in the subject line or first paragraph of your comments and mail or hand-deliver them to:
