Project Updates

A Preliminary Staff Assessment, Part B workshop will be held on 4/3/14 in Huntington Beach, CA. Staff expects to discuss several technical areas including Air Quality, Public Health, Alternatives, Biological Resources and staff's proposal for the project to use recycled water.

The South Coast Air Quality Management District issued a revised Preliminary Determination of Compliance (PDOC) for the HBEP on 4/1/14. The final (FDOC) will be issued after a 30-day comment period and all comments are considered. However receipt of the FDOC will not delay publication of the Final Staff Assessment (FSA).
