Please note that during the hearing, Applicant moved Exhibits 1001 through 1142 into the record. However, at the time, Applicant anticipated that a third PowerPoint presentation would be utilized during the witness panel discussing Biological Resources (Noise). In fact, such PowerPoint was not presented during the hearing and, therefore, Applicant does not seek to include it in the project record. Therefore, Applicant's exhibits are Exhibit 1001 through and including Exhibit 1141. A complete, revised exhibit list is included herewith for your reference.

Respectfully yours,

Melissa A. Foster
